RE: Marketing RPM Course

Dear Mark:

The RPM Course that you taught last May in Orlando was the best management course I attended in the past eight years of being a licensed property manager. Your wealth of marketing property management knowledge and teaching ability makes you invaluable to property managers.

Several of your techniques for marketing and improving the running of my office has increased my business and also added new ventures that were not explored previously. I have now become a court recognized expert witness for rental values in our area. I strongly recommend that anybody engaged in the management and leasing of property attend your marketing course.

Thank you for sending me the copy of "WHO IS YOUR LANDLORD". I look forward to seeing you next week at our NARPM meeting in Orlando and wish you and your family all the best in your future endeavors.

Sincerely,

Fred Thompson
Senior Property Manager
