Dear Mark;

It is time I write and tell how we appreciate you and your business. You are thoughtful and reasonable with people you serve and of course with tenants too.

Living in the north as we do, we couldn't have an investment in Dallas, Texas - and be able to serve clients properly.

Age caught up with us - Travel any distance today is a hassle.

I must say your news letters are wonderful and precise - I read a lot. Newspaper articles are too lengthy and garbled and only a few facts. Full Page "Commercials" in Dallas News is of no value here, Minneapolis paper are no different.

Mark - I enjoyed the phone conversation we had.

My wife and I say Thank You a great deal.

Thanks,

E. Harold + Christie Johnson.
