We have just received your Residential Lease Agreement on our property at 1810 No. Garrett, #218 and again want to compliment and thank you for the prompt and efficient manner in which you have always handled our units for us.

Being, as we are, geographically far from Dallas, it is especially gratifying to know we have someone dependable, honest and concerned in our interest.

Further, we do enjoy your frequent bulletins outlining real estate conditions in the Dallas area and commend you for your many addresses and seminars you have conducted.

All in all, we are proud to be doing business with you and your fine firm.

Sincerely,

Harvey E. Fritter
